

Match Day

Every March, students gather for the medical school tradition known as Match Day, where soon-to-be graduates learn where they will spend their residencies. As Senior Associate Dean for Student Affairs Dr. Lisa Mellman notes, this represents a "moment [they] have been waiting for, for four or five years."

Match Day for the Class of 2021 is scheduled for Friday, March 19, 2021. *(results below are the Class of 2020)*
